

INDIVIDUAL PLACEMENTS FOR AUGUST 2002

Northwest Service Academy

ENVIRONMENTAL EDUCATION

CASCADE EARTH FORCE

Site Supervisor: Julie Magers, Executive Director

Contact: 503-725-8288, magersj@pdx.edu

Address: PSU-Center for Science Ed., PO Box 751
Portland, OR 97207

The Youth Advisory Board Coordinator / Program Liaison will act as a liaison between school groups involved in Earth Force programs and YAB opportunities. The member will get the Earth Force After School (EFAS) program up and running in the Portland/Vancouver and Willamette Valley areas.

CLACKAMAS HIGH SCHOOL

Site Supervisor: Jim Kuhlmann, Assistant Principal

Contact: 503-353-5802, kuhlmannj@nclack.k12.or.us

Address: 14486 SE 122nd, Clackamas, OR 97015

The Environmental Education Liaison will develop and implement our plans to restore a wetlands neighboring the new high school. The member will monitor and advise our waste management program and other school environmental and conservation efforts as Earth Club advisor. The member will also serve as a tutor for English Language Learners new to our school.

LEACH GARDEN FRIENDS

Site Supervisor: Debby Van Meter, Executive Director

Contact: 503-823-1673, dvanmeter@ci.portland.or.us

Address: 6704 SE 122nd, Portland, OR 97236

The Education Director will serve with Executive Director, Education Committee and Volunteer Coordinator to promote our current education opportunities for school groups in the community; will become knowledgeable of the Garden and the available classroom and guide materials to enable the Director to instruct new guides and teachers; and where needed conduct classes and tours.

LOWER COLUMBIA RIVER ESTUARY PARTNERSHIP

Site Supervisor: Tammy Sanders, Education Coordinator

Contact: 503-226-1565 x225, sanders.tammy@lcrep.org

Address: 811 SW Naito Parkway, Suite 120, Portland, OR 97204

The Program Educator will be responsible for coordinating a core group of volunteers for school field projects and

restoration projects on the Ridgefield Wildlife Refuge. The Program Educator will assist in delivery of education programs in elementary, middle, and high schools. The member will also assist middle and high school teachers in developing hands-on field-based projects.

MADISON HIGH SCHOOL

Site Supervisor: Julie Howland, School to Work Manager

Contact: 503-916-3186, jhowland@pps.k12.or.us

Address: 2735 NE 82nd, Portland, OR 97220

The Academy Program Assistant will serve with the Natural Resources Academy Program Coordinator to develop, coordinate, implement and promote student participation the extra-curricular activities related to natural resources.

MULTNOMAH ESD OUTDOOR SCHOOL

Site Supervisor: Suzanne Marter, Coordinator

Contact: 503-257-1600, smarter@mesd.k12.or.us

Address: 11611 NE Ainsworth Circle, Portland, OR 97220

The Special Projects Facilitator will serve with the Multnomah Education Service District staff to recruit local minority student leaders for Outdoor School, enhance our staff training, provide presentations to classrooms and revise curriculum throughout the program.

NORTHWEST REGIONAL ESD

Site Supervisor: John Jackson, NW Outdoor School Coordinator

Contact: 503-614-1645, johnj@nwresd.k12.or.us

Address: 5825 NE Ray Circle, Hillsboro, OR 97124

The Cascade Education Corps Mentors will serve closely with classroom teachers and Cascade Education Corps (CEC) crew leaders to provide an alternative education experience for high school youth. The CEC Mentor will also serve in various settings, including a classroom, field trips, fieldwork experiences and individual placements, with 5 to 30 high school youth and three other adult staff.

PARKROSE HIGH SCHOOL, FAMILY WORKS

Site Supervisor: Krystyn Czarnecka, Target Area Coordinator

Contact: 503-287-5428, chch@hevanet.com

Address: 12003 NE Shaver, Portland, OR 97220

The Student/Youth Involvement Leader will assist in the Environmental Projects class, recruit neighborhood youth and youth groups to become involved in the habitat garden for the

Target Area, and will coordinate and supervise with the Target Area staff all student and youth activities on the site.

WEST LINN/WILSONVILLE S.D.

Site Supervisor: Bob Carlson, CREST Director
Contact: 503-673-7350, carlsonb@wlwv.k12.or.us
Address: 11265 SW Wilsonville Rd, Wilsonville, OR 97068

The Environmental Education Specialist will deliver science and environmental educational programs to various school and community groups. They will implement restoration projects, teach after school classes, and work on setting up a variety of in-reach and outreach programs for the center. They will assist with implementing the model-share-support approach that CREST will be using to educate district teachers.

WEST LINN/WILSONVILLE S.D.

Site Supervisor: Bob Carlson, CREST Director
Contact: 503-673-7350, carlsonb@wlwv.k12.or.us
Address: 11265 SW Wilsonville Rd, Wilsonville, OR 97068

The Volunteer Coordinator will be responsible for recruiting and maintaining volunteers to assist with CREST programs and maintenance of the center's grounds. They will organize volunteer trainings, develop a volunteer handbook, and publish a volunteer newsletter. The coordinator will also be responsible for making community contacts with local citizens, businesses and other educational institutions to encourage support of CREST's mission.

WHITAKER MIDDLE SCHOOL, SUN SCHOOL

Site Supervisor: Sybil Kelley, SUN Coordinator
Contact: 503-916-6470 x411, sybilkel@pdx.edu
Address: 5135 N Columbia Blvd., Portland, OR 97218

The Service-Learning Coordinator (SLC) will assist staff in designing service-learning activities and the Whitaker Ponds Environmental Learning Center, and to recruit students and volunteers complete each project. The SLC will work with middle school students and adult volunteers to implement a variety of service-learning projects, and will continually assess the progress and effectiveness of the program, making changes as necessary.

Center for Agricultural, Science & Environmental Education

Site Supervisor: Richard Hogg, CASEE Instructor
Contact: (503) 885-5361, rphogg@wa-net.com
Address: 11104 NE 149 Street, Brush Prairie WA 98606

The Environmental Project Coordinator will plan and implement agricultural and environmental science projects to expand and improve existing programs on the 80-acre CASEE site. The projects will provide relevant, hands-on science opportunities for the CASEE students and the 15,000 annual

visitors to the center in areas including forest, creek, and pond environments, a 4-acre organic garden, pheasant and quail facility, modern science lab, greenhouses for riparian plant propagation and a computer lab.

Columbia Springs Environmental Education Center

Site Supervisor: Jane Van Dyke, Executive Director
Contact: 360-882-0936, jvandyke@cseec.org
Address: 12208 SE Evergreen HWY, Vancouver WA 98683

The member will be involved with three main activities: education, restoration and volunteer development. The member will assist the Education Coordinator in the development of lesson plans and activities for the delivery of hands-on environmental education to students. S/he will serve with the Executive Director on site restoration activities and the development of volunteers for various projects. S/he will help promote Supporters of Columbia Springs, a "friends" group.

Sea Resources, Inc.

Site Supervisor: Heather Swanson, Education Program Coordinator
Contact: (360) 777-8229, heather@searesources.org
Address: PO box 187, Chinook WA 98614

The Environmental Science Educator will serve with the Education Program Coordinator to develop and implement an education program that is firmly aligned with restoration objectives in the Chinook River watershed.

Habitat Partners & NWSA

Site Supervisor: Aurora Kushman, Project Support Specialist
Contact: (360) 750-7500 ext 138, aurora.kushner@esd112.org
Address: 2500 NE 65 Avenue, Vancouver WA 98661

The H.E.E.L.P. Liaison will provide direct support to at least four area schools with creating or strengthening environmentally focused projects. Service activities could include researching resources and information for projects, leading educational activities, engaging students in environmentally focused service learning projects such as water quality testing or restoration activities. The member will serve out of the Lower Columbia Center office.

CLACKAMAS COUNTY RECYCLING PARTNERSHIP

Site Supervisor: Eileen Stapp, Waste Reduction Coordinator
Contact: 503-353-4454, eileens@co.clackamas.or.us
Address: 9101 SE Sunnybrook Blvd, Clackamas, OR 97015

The Waste Reduction Educator will serve with the Clackamas County Recycling Partnership to maximize outreach, expand and improve existing waste reduction programs, and provide real-world, hands-on opportunities for waste reduction in schools and communities.

RESOURCE CONSERVATION

BICYCLE TRANSPORTATION ALLIANCE

Site Supervisor: Scott Bricker, Youth & Education Director
Contact: 503-226-0676, scott@bta4bikes.org
Address: 717 SW 12th Ave, Portland, OR 97207

The Program Coordinator will serve with the Bicycle Transportation Alliance to implement many aspects of our youth Bicycle Safety and Environmental Awareness Programs in middle schools in the metro area.

CITY OF PORTLAND, SUSTAINABLE DEVELOPMENT

Site Supervisor: Michael Armstrong, Policy Analyst
Contact: 503-823-6053, marmstrong@ci.portland.or.us
Address: 721 NW 9th Ave, Portland, OR 97209

The Outreach Coordinator will assist in assembling the data and insight needed to assess the regional food system and ensure that the community of local food producers, sellers, and consumers have access to and benefit from the Food Policy Council. In coordination with staff, the member will design and implement the structure of this public involvement, establishing channels of communication and meeting with individuals and stakeholder groups.

CITY OF PORTLAND, WATER WORKS

Site Supervisor: Judi Ranton, Water Conservation Manager
Contact: 503-823-7513, jranton@water.ci.portland.or.us
Address: 1120 SW 5th Ave, Portland, OR 97204

The Water Conservation Educator will develop and maintain web pages featuring Bureau curriculum and other activities for elementary and middle school teachers and students. The member will market curriculum to teachers. The member will develop and implement teacher trainings and conduct classroom presentations of curriculum.

COMMUNITY CYCLING CENTER

Site Supervisor: Daniel Bohn, Executive Director
Contact: 503-288-8864 x2, daniel@communitycyclingcenter.org
Address: 1700 NE Alberta, Portland, OR 97211

The Bicycle Recycling Coordinator will be responsible for further developing and maintaining a comprehensive recycling plan for bicycles and bike parts. The Coordinator will enlarge existing partnerships with youth service agencies for recycling environmental resources.

GRESHAM HIGH SCHOOL

Site Supervisor: Sandy Long, Site Supervisor
Contact: 503-674-5500, sandy_long@gbds.gresham.k12.or.us
Address: 1200 N Main, Gresham, OR 97030

The Recycling and Environmental Coordinator will engage high school students and staff in waste/energy management through education and action. He/she will also provide environmental opportunities for students through stewardship activities and horticultural experiences.

GROWING GARDENS

Site Supervisor: Dawn Burgardt, Program Coordinator
Contact: 503-284-8420, dawn@growing-gardens.org
Address: 2003 NE 42nd Ave. #3, Portland, OR 97213

The Education Coordinator will serve with Growing Gardens staff to recruit and engage local youth and volunteers in School Gardens, the Youth Grow summer program, and workshop activities.

METRO HOUSEHOLD HAZARDOUS WASTE

Site Supervisor: Lisa Heigh, Household Hazardous Waste Specialist
Contact: 503-797-1611, heighl@metro.dst.or.us
Address: 600 NE Grand Avenue, Portland, OR 97232

The Household Hazardous Waste (HHW) Educator will serve with Metro Regional Environmental Management staff and

assist in the design, development and implementation of community household hazardous waste reduction outreach and education activities. There are two main projects that the member will serve on this year: HHW education and disposal project and Natural Gardening Neighborhood Teams project.

METRO WASTE REDUCTION EDUCATION

Site Supervisor: Freda Sherburne, Education Specialist
Amy Wilson, Education Specialist
Contact: 503-797-1522, sherburnef@metro.dst.or.us
503-797-1521 wilsona@metro.dst.or.us
Address: 600 NE Grand Avenue, Portland, OR 97232

The Waste Reduction Education Assistant will serve with the Education Specialist in educating students from kindergarten to high school on the importance of waste reduction via puppet shows and presentations. The three main projects the WREA would be involved in are the following; Outreach to schools, grades K-5: Community Resources project, grades 6-12: Community events).

PORTLAND PUBLIC SCHOOLS

Site Supervisor: Nancy Bond, Resource Conservation Specialist
Contact: 503-916-2000 x4279, nbond@pps.k12.or.us
Address: 501 N Dixon Street, Portland, OR 97227

The members will be responsible for developing and maintaining projects that use OR Green Schools certification, incentive programs and service learning projects as vehicles to reduce solid waste, increase waste reduction and recycling, increase energy conservation, improve onsite stormwater management and increase resource conservation awareness in the district, in the schools and, through the multiplier effect, in the community.

SAM BARLOW HIGH SCHOOL

Site Supervisor: Neal Bridgnell, Science Teacher
Contact: 503-674-5600, nbridgnell@gresham.k12.or.us
Address: 5105 SE 302 Ave, Gresham, OR 97030

The School Waste Reduction and Recycling Coordinator will improve upon an existing school-wide waste reduction and recycling project. Efforts will also be made to implement a new energy conservation program. The projects will be student-led with a focus on sustainability.

SCHOOL COMMUNITY REUSE ACTION PROJECT

Site Supervisor: Teri Thomas Petersen, Executive Director
Contact: 503-294-0769, teri@scrapaction.org
Address: 3625B North Mississippi Avenue, Portland, OR 97227

The Education Outreach Coordinator (EOC) will serve with the SCRAP Education Committee to design and facilitate workshops, lessons and presentations for teachers, students and community members in Portland area schools and at the SCRAP site. The EOC will assist with scheduling,

coordinating outreach activities, as well as training volunteers interested in reuse education and outreach. Development of reuse curriculum and preparation of materials to support these activities is essential as well.

ST. JOHNS WOODS GARDEN PROJECT

Site Supervisor: Tera Couchman, Program Supervisor
Contact: 503-286-2099, tcouchman@jyp.org
Address: 8652 N Swiftway, Portland, OR 97203

The Community Involvement Coordinator will promote and coordinate monthly garden-related community workshops, coordinate a children's 4H garden club, recruit, support and coordinate part-time AmeriCorps volunteers, assist with curriculum evaluation and development, assist with volunteer program evaluation and development and with creation of a resource handbook .

Clark County Department of Public Works

Site Supervisor: Peter DuBois, Waste Reduction Specialist
Contact: 360-397-6118 ext 49861, pete.dubois@co.clark.wa.us
Address: PO Box 9810, Vancouver WA 98666-9810

The Earth SAVER Coordinator will serve with Clark County Solid Waste Program staff to coordinate the Earth SAVER Curriculum Program. The Coordinator will recruit and engage Clark County classrooms in assessing the use of materials/supplies, energy and water, and the generation of garbage, recycling, waste water and storm water. Participating students receive official certification.

VOLUNTEER INVOLVEMENT & SERVICE LEARNING

ACKERMAN/LEE MIDDLE SCHOOL, CANBY SD

Site Supervisor: Anne Jourdan, 21st Project Coordinator
Contact: 503-266-0034, jourdana@canby.k12.or.us
Address: 1110 S Ivy St., Canby, OR 97013

The Service Learning Coordinator will provide direct service to school day and extended day program students by engaging them in service learning projects. This member will serve in partnership with school and program staff and students to plan, present and carry out designated projects. This member will develop service plans, allocate resources and develop schedules to accomplish goals related to program service learning projects.

CONCORDIA UNIVERSITY

Site Supervisor: Cynthia Johnson, Associate Dean
Contact: 503-493-6546, cjohnson@cu-portland.edu
Address: 2811 NE Holman, Portland, OR 97211

The Coordinator of Service Programs, with the efforts of Concordia University service programs office, will lead and organize the service learning efforts of the University.

FRANKLIN HIGH SCHOOL

Site Supervisor: Arnie Winkler, School to Work Coordinator
Contact: 503-916-5135, awinkler@pps.k12.or.us
Address: 5405 SE Woodward, Portland, OR 97206

The Service Learning Coordinator is primarily responsible for assisting teachers in finding and carrying out service learning opportunities within their community.

JAMES JOHN ELEMENTARY SUN SCHOOL

Site Supervisor: Bill Smith, SUN School Co-Manager
Contact: 503-916-6266, bills@tvcenters.org
Address: 7439 N Charleston, Portland, OR 97203

The Project Development Specialist coordinates with the Program Coordinator to develop and coordinate sustainable volunteer and service learning programs. The member will place an emphasis on developing and implementing environmental science education for youth and service learning opportunities.

JEFFERSON HIGH SCHOOL

Site Supervisor: Laura Bulinski, School to Work Coordinator
Contact: 503-916-5180 x530, lbulinski@pps.k12.or.us
Address: 5210 N Kerby Ave, Portland, OR 97217

The Community Involvement / Service Learning Coordinator's primary responsibility will be to assist teachers in finding and carrying out service learning opportunities within their community. They will also be responsible for developing

enrichment opportunities for students that help them make informed choices about their future.

LINFIELD COLLEGE, OFFICE OF CAREER SERVICES

Site Supervisor: Anne Hardin, Director of Career Services
Contact: 503-434-2442, ahardin@linfield.edu
Address: 900 SE Baker Street, McMinnville, OR 97128

The Volunteer Service Coordinator will provide leadership to campus student organizations in volunteer services; will provide a central clearinghouse for organizations wanting to post volunteer positions at Linfield College, will serve as a member of Student Service which directs student activities on campus and will serve as a liaison to Student Services and campus student groups.

MOUNT HOOD COMMUNITY COLLEGE

Site Supervisor: Dr. Patricia Martin, Dean of Career Dev.
Contact: 503-491-7374, martinp@mhcc.org
Address: 26000 SE Stark, Gresham, OR 97030

The Coordinator of the Volunteer and Service Action Center will design and coordinate volunteer development activities. Through public relations, outreach, training, organization, and advocacy efforts, the Coordinator will institute a comprehensive resource center for the students, staff, faculty and community at Mt. Hood and engage the college community in experiential education activities on major community and social needs.

PACIFIC UNIVERSITY

Site Supervisor: Ellen Hastey, Director of Humanitarian Ctr.
Contact: 503-359-2914, hastaye@pacificu.edu
Address: 2043 College Way, Forest Grove, OR 97116

The Environmental Projects Coordinator will serve with the Humanitarian Center Director and work/study staff, faculty in environmental disciplines, and program directors on campus and in the community, to develop and coordinate on-going projects in environmental education, direct restoration, and resource conservation.

PORTLAND IMPACT

Site Supervisor: Julie Larson, Mentor/Tutor Coordinator
Contact: 503-988-6000, jl Larson@portlandimpact.org
Address: 4707 SE Hawthorne Blvd., Portland, OR 97215

The Program Assistant will work with the Mentor/Tutor Coordinator to increase the capacity of and enhance the agency's Youth MAP program, which matches volunteer mentors and tutors one-on-one with school-aged youth in need of a positive guide and role model. The member will also

coordinate service learning and recreational components of the program.

PORTLAND INTERNATIONAL COMMUNITY SCHOOL

Site Supervisor: Rachel Baldwin, Assistant Director
Contact: 503-232-5334, rbaldwin@emoregon.org
Address: 1131 Southeast Oak Street, Portland, OR 97214

The Service Learning Project Coordinator will serve with students and staff at PICS to research, design, and implement learning opportunities for students through community service. These projects will preferably involve direct service, outside the classroom. It will be a goal of the SLPC to create projects of sufficient variety and frequency to involve every student at PICS at least once during the year.

PORTLAND STATE UNIVERSITY

Site Supervisor: Amy Spring, Asst. Director Center of Academic Excellence
Contact: 503-725-5642, springa@mail.pdx.edu
Address: PO Box 751, Portland, OR 97202

The Community Based Service Assistant will serve with student leaders to support them in leadership development and in their service roles with community organizations. The member will support other PSU students in their course related and or work-study service with local, non-profit organizations.

PORTLAND YOUTH BUILDERS

Site Supervisor: Beth Sipos, Digital Divide Coordinator
Contact: beth_s@pybpdx.org
Address: 7332 N Smith St., Portland, OR 97203

The Digital Divide Computer Recycling Coordinator will oversee the computer recycling and refurbishment activities and help twenty YouthBuild Digital Divide students build 80 computers from used technology equipment for donation to qualifying families with children enrolled in the SMART Program.

SOLV

Site Supervisor: Susan Abravanel, Education Coordinator
Contact: 503-844-9571, susan@solv.org
Address: PO Box 1235, Hillsboro, OR 97123

The Youth Volunteer Coordinator will work to assist the Education and Environmental Stewardship programs (Adopt-A-Park, Team Up for Watershed Health, Down by the Riverside, SOLV IT, etc.), in outreach, training and project management, specifically aimed at increasing youth involvement in service-learning, community service environmental education experiences and watershed restoration activities.

Columbia Land Trust

Site Supervisor: Ian Sinks, Conservation Director
Contact: 360-606-0131, isinks@columbialandtrust.org
Address: 1351 Office Row, Vancouver WA 98661

Serve with Conservation Director to develop and coordinate the Land Trust Stewardship Program. Stewardship Coordinator will serve by implementing stewardship work program to include conducting site monitoring visits, baseline data collection, site evaluation, program coordination and volunteer program. Coordinator will be responsible for training, building and leading volunteers in stewardship activities and training. Activities will include site assessment and monitoring, data collecting, site preparation and maintenance, and plantings and habitat enhancement on Columbia Land Trust properties. Assist Conservation Director in establishing tracking system for data collected during site monitoring, organizing and hosting training courses, and drafting stewardship plans for individual properties.

US Fish & Wildlife Service-Ridgefield National Wildlife Refuge

Site Supervisor: Yvette Donovan, Outdoor Recreation Planner
Contact: (360) 887-4106, yvette_donovan@fws.gov
Address: PO Box 457, Ridgefield WA 98642

The Volunteer and Environmental Education Coordinator will serve with the Complex Outdoor Recreation Planner. Member will serve with various partners, organizations and educators to identify and develop potential and scheduled educational activities for the Ridgefield National Wildlife Refuge (NWR) Complex.

Vancouver Clark Parks

Site Supervisor: Dan George, Urban Parks Manager
Contact: (360) 735-8819, dan.george@ci.vancouver.wa.us
Address: PO Box 8900, Vancouver WA 98668

The Volunteer Coordinator will join the team of the Vancouver-Clark Parks and Recreation Resource Services staff to recruit and engage local volunteers (groups and individuals) in maintaining existing and developing new riparian restoration projects, implementing a first-year Outdoor Ambassador Program, encouraging habitat enhancement through community education and community involvement.

WATERSHED RESTORATION

CITY OF FAIRVIEW

Site Supervisor: Melissa Slotemaker, Assistant Planner
Contact: 503-674-6205, widmanm@ci.fairview.or.us

Address: PO Box 337, Fairview, OR 97024

The Environmental Restoration Coordinator (ERC) will assist the City of Fairview staff in developing a comprehensive restoration plan for all City-owned properties. The ERC will serve with existing restoration efforts and coordinate and plan new volunteer efforts for the City land, as well as assist private property owners in developing planting/restoration plans.

CITY OF LAKE OSWEGO

Site Supervisor: Lisa Hamerlynck, Natural Resource Coordinator
Contact: 503-697-6575, lhamerlynck@ci.oswego.or.us
Address: PO Box 369, Lake Oswego, OR 97034

The Natural Area Volunteer Project Coordinator will collaborate with City staff to design stewardship projects for natural area parks. The Coordinator will recruit, engage, and track volunteers for natural resource enhancement projects.

CITY OF PORTLAND, ENVIRONMENTAL SERVICES

Site Supervisor: Jennifer Devlin, Community Affairs Manager
Contact: 503-823-6182, jenniferd@bes.ci.portland.or.us
Address: 1120 SW 5th Ave., Rm 1000, Portland, OR 97204

The Stewardship Coordinators will serve with Environmental Services staff, community organizations, and volunteers to promote community involvement in watershed health and restoration activities throughout Portland watersheds. They will provide guidance and encourage citizens and community groups to implement watershed-friendly projects and programs.

FAIRVIEW CREEK WATERSHED COUNCIL

Site Supervisor: Dresden Skees Gregory, Subcommittee Chair
Contact: 503-669-6046, dresden.s.gregory@opbu.xerox.com
Address: 1300 NE Village St., Fairview, OR 97024

Utilizing a previously completed watershed assessment as a guideline, the FCWC Management Program Coordinator will coordinate the implementation of Restoration, Maintenance and Monitoring Plans for each stretch of the creek and associated water bodies. The member will coordinate volunteer groups to perform parts of the project on various parts of the creek at different times.

FRIENDS OF TREES, NATURAL AREAS

Site Supervisor: Anil Devnani, Natural Area Restoration Mgr.
Contact: 503-282-8846 x19, anild@friendsoftrees.org
Address: 3117 NE MLK Jr. Blvd, Portland, OR 97212

The Natural Area Restoration Coordinator will collaborate with FOT's Natural Area Restoration Manager to plan and implement vegetative restoration projects in partnership with public agencies, other non-profits and community groups.

FRIENDS OF TREES, NEIGHBORHOOD TREES

Site Supervisor: Chad Honl, Neighborhood Trees Manager
Contact: 503-282-8846 x19, chadh@firendsoftrees.org
Address: 3117 NE MLK Jr. Blvd, Portland, OR 97212

The Neighborhood Trees Coordinator collaborates with FOT's Neighborhood Trees Manager to plan and conduct neighborhood street tree planting projects.

FRIENDS OF TRYON CREEK

Site Supervisor: Stephanie Wagner, Executive Director
Contact: 503-636-4398, Stephanie@TryonFriends.org
Address: 11321 SW Terwilliger Blvd, Portland, OR 97219

The Programs Assistant will assist Friends of Tryon Creek State Park staff in 2 of our key programs: Nature Guiding and Eco/Trails. The individual will provide "hands-on" service in these programs, as well as creating publicity, recruiting and coordinating volunteers.

JACKSON BOTTON WETLANDS PRESERVE

Site Supervisor: Sarah Pinnock, Wetlands Education Specialist
Contact: 503-681-6206, sarahp@ci.hillsboro.or.us
Address: 2600 SW Hillboro Hwy, Hillsboro, OR 97123

The Wetland Environmental Educator will be involved in the development, delivery and evaluation of a variety of wetland and watershed field experiences, traveling programs, wetland restoration projects, volunteer trainings and tours into Jackson Bottom Wetlands Preserve.

JOHNSON CREEK WATERSHED COUNCIL

Site Supervisor: Kim Hatfield, Council Coordinator
Contact: 503-239-3932, kim@jwc.org
Address: PO Box 82584, Portland, OR 97282

The Community Stewardship Coordinator will work with community members in the Johnson Creek Watershed to develop the capacity of localized community watershed stewardship organizations. The stewardship coordinator will assist organizations in learning to recruit and manage volunteers, to conduct successful restoration projects, and to monitor projects.

PORTLAND PARKS AND RECREATION

Site Supervisor: Deborah Lev, Senior Planner
Contact: 503-823-6183, dlev@ci.portland.or.us

Address: 1120 SW 5th Ave, Room 1302, Portland, OR 97204

The Natural Resources and Trails Planning Assistant will serve with the Senior Planners for Natural Resources and Trails. The position will be primarily research focused, collecting, analyzing and displaying information about natural areas and trails within the Portland parks system. Trail research will focus on those trails that connect parks, natural areas, and neighborhoods to one another. The Trail Assistant will document the condition and usage of trails.

THREE RIVERS LAND CONSERVANCY

Site Supervisor: Jayne Cronlund, Executive Director
Contact: 503-699-9825, trlc@teleport.com
Address: 470 2nd St., Lake Oswego, OR 97034

The Land Steward will serve with Three Rivers Land Conservancy staff and volunteers to develop restoration plans, gather baseline data on conservation plans and implement monitoring and conservation plans for the site with assistance from volunteers.

TUALATIN HILLS PARK AND RECREATION

Site Supervisor: Ralph Cook, Naturalist
Contact: 503-645-3539, nature@thprd.com
Address: 15707 SW Walker Road, Beaverton, OR 97006

The Natural Resources Volunteer Coordinator will assist the Park District Natural Resources staff in designing and implementing projects, recruiting, engaging, and tracking volunteers (groups, students, and individuals) for enhancement and restoration activities in public, urban natural areas.

TUALATIN RIVER NATIONAL WILDLIFE REFUGE

Site Supervisor: Christopher Lapp, Deputy Refuge Manager
Contact: 503-590-5811, christopher_lapp@fws.gov
Address: 16507 SW Roy Rodgers Rd, Sherwood, OR 97140

The Outdoor Recreation Planner will assist in planning, developing, coordinating and implementing a high quality outreach program. Efforts will increase public awareness of the Refuge and the System as a whole and engage the community in resource-based stewardship projects and partnerships as well as the planning process of Refuge programs.

TUALATIN RIVERKEEPERS

Site Supervisor: Sue Marshall, Executive Director
Contact: 503-590-5813, sue.marshall@tualatinriverkeepers.org
Address: 16507 SW Roys Rogers Road, Sherwood, OR 97140

The Monitoring Coordinator will assist the Tualatin Riverkeepers to build a base of trained volunteers able to fulfill essential monitoring functions for projects that restore watersheds and enhance public lands.

Vancouver Housing Authority

Site Supervisor: Connie Sherrard, Resident Initiatives Program Manager
Contact: (360) 992-0207, csherrard@vhausa.com
Address: 2500 Main Street, Vancouver WA 98660

Provide tutoring, academic support, mentoring and waste reduction education to youth in grades K-12 living in low-rent public housing. Facilitate the youth to promote recycling in the community. Recruit volunteer tutors and youth activity assistants.

COMMUNITY STRENGTHENING
